

INTERESTED IN RESEARCH EXPERIENCE?

Looking for Research Assistants!

About TEAMS and 4KEEPS

- ◆ **TEAMS** aims to assess autism spectrum disorder interventions in classrooms and mental health settings (by implementing them with teachers and clinicians)
- ◆ **4KEEPS** aims to examine outcomes related to training therapists in evidence-based practices, and to understand community mental health centers' and therapists' experiences with using these practices with diverse families

RA RESPONSIBILITIES

- ◆ Assist with fieldwork by collecting audio recordings from mental health agencies around LA
- ◆ Assist with paperwork and material prep
- ◆ Gain experience with data entry and qualitative coding
- ◆ Learn how public mental health services research is conducted
- ◆ Attend biweekly meetings to discuss career and research topics, such as applying to graduate school!

Preferred Qualifications

- ◆ Volunteer during the summer and next academic year
- ◆ Be able to commit 10 hours per week for at least 3 quarters
- ◆ Have a vehicle
- ◆ Spanish speaking
- ◆ Prior research methods coursework
