

INTERESTED IN GLOBAL MENTAL HEALTH?

Preferred Qualifications

- Volunteer during the summer and next academic year
- Be able to commit 10 hours per week
- Prior research methods coursework
- Qualitative coding experience preferred but not essential

We're looking for RAs!

- Seeking RAs for a doctoral student's dissertation project, which documents the development a school-based mental health intervention for adolescents in India using qualitative methods.
- This position would be a good fit for RAs with a passion for global mental health and an interest in qualitative research.
